FAQ

[Please Try To Understand. It S Not The Real Me](#)

Tired

I don't remember where I was born
or who I am, or where I go
I don't remember my real name,
or how I got all these scars

I realize that I don't belong here
I don't belong here or any other place

Please, try to understand,
I'm so tired of all the pain
that I feel and hear
in the world, every day
Please, try to understand,
I don't want to stand there
where the lies are growing
and the promises are broken

Tell me if I made something good
for you or for anybody else
And then I will fade,
like a dead star

Just give me a chance to say a few words
Just give me a chance to say goodbye

Please, try to understand,
this is my last chance
to watch the world,
to say good bye.

Cansado

No recuerdo dónde nací
o quién soy, o a dónde voy
No recuerdo mi nombre real
o cómo obtuve todas estas cicatrices

Me doy cuenta de que no pertenezco aquí
No pertenezco aquí o a cualquier otro lugar

Por favor, trata de entender,
estoy tan cansado de todo el dolor
que siento y oigo
en el mundo, todos los días
Por favor, trata de entender,
no quiero estar allí
donde las mentiras están creciendo
y las promesas están rotas

Dime si hice algo bueno por ti
o por alguien más
Y entonces voy a desaparecer,
como una estrella muerta

Sólo dame una oportunidad
de decir unas palabras
Sólo dame una oportunidad de decir adiós

Por favor, trata de entender,
esta es mi última oportunidad
para ver el mundo,
para decir adiós.

I'm tired of all the pain I feel and hear in the world everyday. There's too much of it. It's like a piece of glass in my head, all the time. Can you understand?
